

Beat the Heat: Goldmedal's Vista 360° Pedestal Fan Brings Smart Cooling to Your Summer Days

Mumbai, 28th April 2025: Goldmedal Electricals, one of India's leading Fast Moving Electrical Goods (FMEG) companies, introduces Vista 360° pedestal fan - a perfect fusion of style and functionality. Designed to transform the cooling experience, this compact yet powerful fan delivers a 400 mm sweep of refreshing breeze in a seamless 360° motion.

The Vista 360° is crafted using high-grade plastic. It offers a unique 360° oscillation that ensures even air distribution to every corner of your space. Featuring both automatic and manual horizontal oscillation, as well as manual vertical movement, it gives complete control over airflow direction. Along with three speed settings, the fan also offers multiple operating modes, including Normal, Breeze, and Night.

With the convenience of an Infrared (IR) remote, adjusting settings is effortless. In addition, the smart LED display enhances the fan's modern appeal and also features an auto-dimming function that blends seamlessly into any space, especially during night-time use. Built with a high-grade copper motor for long-lasting performance, the Vista 360° also includes a timer that can be set to switch off at intervals between one to eight hours.

Other features:

1. **Aerodynamic blades:** The fan features aerodynamically designed blades for optimal air delivery.
2. **Energy-efficient:** The Vista 360° performs at a high-speed of 1250 RPM with low power consumption.
3. **Efficient cooling:** Easy-to-adjust height settings and 360° oscillation ensure efficient and customizable cooling.
4. **Thermal overload protection:** This enhances safety and prolongs the durability of the fan.
5. **Noiseless operation:** Uniquely designed for smooth and silent operations.
6. **Touch panel with LED display:** Control the fan with ease with a stylish touch panel and an auto-dimming LED display.

Commenting on the Vista 360°, Bishan Jain, Director of Goldmedal Electricals, said, *"Goldmedal fans are engineered to offer more than just superior performance—they redefine everyday comfort. The Vista 3600 isn't just a fan; it's a smart, stylish, and whisper-quiet companion that cools with sophistication and ease."*

The **Vista 360° pedestal fan** is available on [Amazon](#) for **Rs. 11,427/-** and comes with a **2-year warranty**.

About Goldmedal Electricals

Goldmedal Electricals is a home-grown electrical company which was established in the year 1979 with a vision to create electrical switches and accessories that make a positive difference to the lives of consumers. The company is known in the industry for manufacturing high quality wiring devices and introducing a host of innovations in the industry. The company has manufacturing units in Vasai outside Mumbai, Bhiwadi in Rajasthan, and Vijayawada in Andhra Pradesh.
