The screenshot shows a news article on the website 'The Asian Age'. The article title is 'Connect anywhere, rock anywhere with the new 'I-Dock Music Player''. The article is categorized under 'Technology, Gadgets'. It was published on June 14, 2019, at 5:46 pm IST. The article text states: 'Goldmedal Electricals launches unique entertainment system that can be connected to a switch plate.' Below the text is an image of the i-Dock Music Player, which is a black rectangular device with a red top section. An iPhone is docked in the center, and the device has two large black speakers on either side. The article also mentions that the player allows charging of iPhone/iPod devices and playing music stored on them. On the right side of the article, there is a 'Download and Play for Free' button for 'Tencent Gaming Buddy' and a 'MOST POPULAR' section with four items: 1. CIA scientist believed alien autopsy footage was real; 2. Design of one of 2019's most hotly anticipated smartphones surfaces; 3. Turkey's First Lady faces criticism for carrying USD 50,000 handbag: report; 4. Judgmentall Hai Kya trailer: Kangana, Rajkummar's quirky murder mystery is intriguing.
