

## **Goldmedal Electricals Inaugurates New Corporate Office in Hyderabad**

**Hyderabad, 18<sup>th</sup> May 2025** - Goldmedal Electricals, one of India's leading Fast Moving Electrical Goods (FMEG) companies, recently inaugurated its new corporate office and exclusive showroom in Hyderabad. This state-of-the-art facility was inaugurated by **Shri Komatireddy Venkat Reddy Garu**, Hon'ble Minister for Roads & Buildings, Cinematography, Government of Telangana.

Strategically located on Jambagh Road, a prominent commercial hub of Hyderabad, the Goldmedal office spans all five floors of the Kothari Landmark building. Spanning over 70,000 square feet, the facility includes modern office spaces, warehousing capacity, and a premium showroom that showcases Goldmedal's extensive range of modular switches, home automation solutions, energy-efficient LED lights, high-quality fans, immersive music players, and more. In addition to showcasing products, the showroom provides a modern and aesthetically pleasing environment for visitors to meet and interact with the Goldmedal team.

**Commenting on the launch of the new office, Mr. Praveen Jain, Director, Goldmedal Electricals said,** *"Goldmedal has long been a trusted name in South India's electrical sector and setting up a full-fledged, corporate office in Hyderabad has been a long-standing goal for us. We are delighted to make this possible as we start a new financial year. We are confident that this new office sets the stage for further growth and success in the times ahead."*

Hyderabad is also the location for Goldmedal's upcoming state-of-the-art CPVC manufacturing facility. Spread across a 10-acre plot at Chandanvelly, the construction for the factory is in full swing with plans to get it operational by year end. The project is backed by the Telangana State Industrial Infrastructure Corporation (TSIIC), an initiative that provides infrastructure through the development of industrial areas.

The newest corporate office in Hyderabad is another step in the growth of Goldmedal's footsteps in South India. It reinforces Goldmedal's commitment to innovation, growth, and regional development.

### **About Goldmedal Electricals:**

Goldmedal Electricals is a home-grown electrical company which was established in the year 1979 with a vision to create electrical switches and accessories that make a positive difference to the lives of consumers. The company is known in the industry for manufacturing high quality wiring devices and introducing a host of innovations in the industry. The company has manufacturing units in Vasai in Maharashtra, Bhiwadi in Rajasthan, and Vijayawada in Andhra Pradesh. It is one of the few companies in the industry to have a completely in-house, state-of-the-art tool room and testing facility. Today, the company manufactures a vast range of electrical products including various types of Switches, Home automation systems, LEDs, Fans, Irons, Geysers, Security Systems, Entertainment devices, Doorbells, Wires, Cables, DBs and more for residential buildings as well as commercial establishments.
