

Goldmedal Unveils Neo: Instant Hot Water, Instant Convenience

Mumbai, 4th February, 2025 – Goldmedal Electricals, one of India's leading Fast Moving Electrical Goods (FMEG) companies, introduces the Neo—a compact and powerful instant water heater designed to provide quick and efficient water heating for modern homes.

The Neo Instant Water Heater is engineered with a robust stainless steel tank for enhanced durability, while its shock- and rust-proof body ensures longevity even in challenging conditions. It features a powerful 3kW heating element for rapid water heating, ensuring hot water is readily available when needed.

Designed for safety and convenience, the Neo features advanced safety mechanisms such as a pre-set thermal cut-out and a pressure release valve to prevent overheating and pressure build-up. Additionally, its fire-retardant power cord provides an extra layer of protection, ensuring worry-free operation. Its sleek, modern design makes it a stylish addition to any bathroom interior.

Other features of the water heater include:

- **3-Litre Capacity:** Perfect for instant hot water needs in kitchens and bathrooms.
- **Superior Grade Stainless Steel Tank:** Provides enhanced durability and corrosion resistance.
- **6.5 Bar Pressure:** Handles high water pressure, ideal for multistorey buildings.
- **Copper Heating Element:** Offers better efficiency and longer lifespan.
- **Fire Retardant Power Cord:** Ensures safety and reliability in high-temperature conditions.
- **LED Indicator:** Provides a clear status display for user convenience.

Speaking about the Neo instant water heater, Bishan Jain, Director, Goldmedal said, “*We understand the need for instant and reliable hot water, especially in today's fast-paced lifestyle. The Neo Instant Water Heater is designed to meet this need, combining efficient heating with robust safety features and a stylish design. It is an ideal solution for modern homes, particularly those in multi-story buildings.*”

The **Neo 3L Instant Water Heater** is available on [Amazon](#) at an attractive price of **Rs. 2,699/-**. It comes with a **five-year warranty** on the inner tank and a **two-year warranty** on the heater.

About Goldmedal Electricals

Goldmedal Electricals is a home-grown electrical company which was established in the year 1979 with a vision to create electrical switches and accessories that make a positive difference to the lives of consumers.
