Goldmedal Festive Light Rolls

Goldmedal Electricals, a home-grown fast moving electrical goods (FMEG) company has launched the Photon rope light in its lighting segment, for the ongoing festive season in India. Photon, as per the company, uses LEDs and therefore consumes lesser energy and generates lesser heat than average incandescent rope lights.

Kishan Jain, director, Goldmedal Electricals said, "With the onset of the festive season, we wanted to provide a smart and long-lasting solution for the festive décor needs of our customers. Photon was designed in keeping with our goal to
