The screenshot shows a news article on the My Mobile website. The article title is "Goldmedal Electricals launches 'I-Dock Music Player' at Rs 6,100". The byline is "By: MyMobile Team | June 14, 2019". The main image shows a smartphone docked in a red and black device. Below the image are five colored circles (blue, cyan, green, teal, blue). The text below the image reads: "Home-grown Goldmedal Electricals has launched i-Dock music player under its GIFA range of modular products at Rs 6,100 that is will be available across retail stores as well as leading e-commerce platforms. The music player is a first-of-its-kind entertainment system that allows consumers to enjoy music by easily installing it within a switch plate, the company said in a statement. The music player lets user charge their iPhone/iPod device as well as play music stored on in the device. It can be installed directly into a flush box with Goldmedal's modular cover plates."

The right sidebar contains social media sharing options (Facebook, Twitter, Instagram, LinkedIn, Search), a "Like Page" button, and a tweet from My Mobile about Trainman's PNR status predictions. Below the tweet are "Recent Posts" including "Engineer.ai, Tech Jockey collaborate to solve challenges faced by IT buyers", "Five waterproof smartphones you can flaunt this monsoon", "Huawei lands in another trouble: 5G panel head wants Chinese vendor excluded from trials", "Trainman provides 92% accurate predictions about PNR status : Vineet Chirania, CEO Trainman", and "TikTok illegally collecting data and sending it to China: Tharoor".
