### Goldmedal Electricals launches OLA Detachable LED Lights

August 22, 2019 | onlineandyou | 0 Comments

Goldmedal Electricals, the leading home-grown fast moving electrical goods (FMEG) company has launched the OLA Detachable LED light in the lighting segment. OLA is an extremely user-friendly LED and takes away the hassles associated with fixing and removing LED lights. With this launch, Goldmedal is offering the best LED lighting technology for indoors with both practical and decorative use.

Goldmedal's OLA LED Light is a smart option that can be easily fitted or removed from its housing with a gentle push or twist depending on the light's shape. While the round light can be fixed or removed by gently twisting it, the square LED can be attached or detached by gently pushing it into its housing. Designed with an integrated driver, the OLA is an energy saving and eco-friendly LED that is available in different watt variants.

**OLA also offers features like:**

- High lumens with up to 90 lumens per watt
- Surge protection up to 2.5 KV
- Square and round shape options in matte white color
- Available in 6, 12, 15, 18 and 20 watt variants
- ABS housing and polycarbonate anti glare diffuser
