Goldmedal Electricals Announce Launch Of Hero Prime Decorative Fan

* The decorative ceiling fan is available in two exciting colours Imperial Gold and Metallic Lustre Brown

Goldmedal Electricals, one of India's leading Fast Moving Electrical Goods (FMEG) Company unveils the latest ceiling fan 'Hero Prime' under their decorative ceiling fans category. As the company is in line with the government's mission of making India truly Atmanirbhar, Goldmedal Electricals have manufactured the Hero Prime ceiling fan in India. This latest addition is a stylish yet practical option for modern Indian homes and offices.
