Goldmedal Electricals launches multi-coloured DUOS LED Light for Rs 560

DUOS is a unique LED that offers two sources of light in one unit. Goldmedal Electricals, a moving electrical goods (FMEG) company has launched the DUOS LED light as part of its lighting segment. Priced at Rs 560, DUOS is a unique LED that offers two sources of light in one unit.

Goldmedal's DUOS LED light offers a dual lighting solution. It can function both as a down light and as a mood light with light emitting from its sides. The two lights can either be used independently or together to create a beautiful illumination all round.

DUOS is light weight and it is also detachable from the front, which allows for a hassle-free installation, removal and replacement. It
