Goldmedal Electricals Phantom Ceiling Fan

Have you ever been tucked into your sofa, binge-watching your favourite TV show, only to be compelled to get up to adjust the fan speed? Isn't it frustrating? Ceiling fans, like other home appliances, have evolved as the world of technology has changed. The Phantom Ceiling Fan by Goldmedal Electricals comes with a remote control and provides superfast cooling while also enhancing the aesthetic appeal of your home. This attractive fan also has an LED under-light that can be regulated with the remote control and illuminates in six different colours. Phantom's remote control will provide users convenience and control. You can effortlessly switch the fan ON/OFF, manage its speed, and select as well as alter the LED light colour and brightness using the remote. A fan is the most basic yet necessary item in any home, and now you can make your life a little simpler by installing this amazing remote-controlled fan. Phantom is presently only available offline and costs Rs. 13,750/-
