

Goldmedal Electricals Introduces Zippo power strip

A revolutionary extension cord with enhanced safety features

Mumbai, 26th June 2023 - Goldmedal Electricals, a leading player in the electrical goods industry, proudly announces the launch of the Zippo Power Strip, a power extension cord designed to revolutionize everyone's charging experience. This innovative product offers a multitude of features that prioritize safety and convenience, making it an essential addition to every household.

Crafted with precision and backed by years of expertise from Goldmedal Electricals, the Zippo Power Strip boasts an impressive array of functionalities. Equipped with advanced surge protection, it shields your valuable devices from unexpected power fluctuations, ensuring their longevity. Additionally, its compatibility with various plug types allows for effortless charging of multiple devices simultaneously, eliminating the hassle of constantly swapping cords.

The Zippo Power Strip offers an array of remarkable features, including:

- Three USB ports with rapid charging
- National and international plug compatibility
- Master switch and LED indicator for USB
- In-built mobile phone stand

Furthermore, the rapid-charging USB ports deliver a swift and efficient power supply, enabling you to stay connected and powered up at all times. Experience the future of charging with the Zippo Power Strip, where safety, convenience, and reliability converge in a single remarkable device.

*"We are delighted to introduce the Zippo power strip to our customers," said **Mr. Bishan Jain, Director of Goldmedal Electricals** "At Goldmedal, we constantly strive to bring innovative and high-quality products to the market. The Zippo power strip combines advanced safety features with superior functionality, ensuring that our customers can charge their devices with peace of mind."*

Designed to elevate the charging experience, the Zippo Power Strip ensures reliable and efficient charging for all electronic devices. The product is competitively priced at Rs. 980, offering exceptional value for its remarkable features.

About Goldmedal Electricals

Goldmedal Electricals is a home - grown electrical company established in the year 1979 with a vision to create electrical switches and accessories that make a positive difference in the daily life of consumers. The company is known in the industry for manufacturing high-quality wiring devices and introducing a host of innovations. The company has manufacturing units in Vasai outside Mumbai, Bhiwadi in Rajasthan, and Vijayawada in Andhra Pradesh. It is one of the few companies in the industry with an in-house, state-of-the-art tool room and testing facility. Today, the company manufactures a vast range of electrical products that include various types of Switches, Home Automation Systems, Fans, Security Systems, Entertainment devices, Doorbells, Wires, Cables and more for residential buildings as well as commercial establishments.
