

Smart, Stylish, and Portable: Goldmedal Unveils I-Fan with Desk Mount and 360° Flexibility

Mumbai, 02 June 2025: Goldmedal Electricals, one of India's leading Fast Moving Electrical Goods (FMEG) companies, introduces the I-Fan, a versatile cooling solution that combines sleek design with 360° rotation, multi-clip mounting, and portable desk convenience.

Designed for both home and travel, the Goldmedal I-Fan delivers efficient cooling in a compact form. With its dual mounting option, this portable fan can be easily placed on a desk or clipped securely to various surfaces, offering unmatched flexibility. Its aerodynamically designed blades ensure powerful airflow, while the 360° horizontal and vertical rotation allows for precise direction control. Featuring a USB Type-C charging port and battery-powered operation, the I-Fan ensures convenient recharging and uninterrupted use wherever you go. Whether at work, relaxing at home, or on the move, the I-Fan is your dependable companion for cool comfort anytime, anywhere.

Key features of the I-Fan include:

- **Dual Mounting Options:** Designed for both desk placement and wall mounting, offering flexibility in usage and installation.
- **Efficient Airflow:** Aerodynamically engineered blades deliver powerful airflow while consuming only 10W of power.
- **Three Speed Modes:** Customize your cooling experience with three adjustable speed settings to suit your comfort level.
- **360° Rotation:** Enables both horizontal and vertical 360-degree rotation for targeted and precise airflow direction.
- **Type-C Charging Port:** Equipped with a USB Type-C port for fast, convenient, and modern charging compatibility.
- **Compact & Portable Design:** Lightweight and easy to carry, making it ideal for use at home, in the office, or while traveling.
- **Multi-Clip Functionality:** Comes with a sturdy clip that allows secure attachment to a variety of surfaces, enhancing its versatility.
- **One-Touch Control:** Simple and intuitive one-touch operation ensures a hassle-free user experience.
- **Battery & USB Powered:** Offers dual power options, via battery and USB, ensuring uninterrupted use wherever you are.

Speaking on the launch, Mr. Bishan Jain, Director, Goldmedal Electricals, said, "With the I-Fan, we are introducing a multifunctional cooling solution that is not only efficient and reliable but also thoughtfully designed for modern lifestyles. It reflects our commitment to innovation, convenience, and quality that our customers have come to expect from Goldmedal."

The I-Fan is now available on [Amazon](#) at **Rs 1,129/-** and comes with a **1-year warranty**.

About Goldmedal Electricals:

Goldmedal Electricals is a home-grown electrical company which was established in the year 1979 with a vision to create electrical switches and accessories that make a positive difference to the lives of consumers.
