The screenshot shows a news article on the CRN India website. The article title is "Goldmedal Electricals launches innovative Wi-Fi Router + Extender for a smooth Work from Home". It is dated September 9, 2020, and is written by the CRN Team. The article features a photograph of the white Wi-Fi Router + Extender device. The device is a rectangular white box with a black front panel containing a Wi-Fi antenna, a power button, and several ports (Ethernet and USB). The brand name "Goldmedal" is visible at the bottom of the device. The article text begins with: "Goldmedal Electricals has introduced an innovative Wi-Fi Router + Extender which is a smart solution for all your internet connection needs. With the ongoing pandemic, working from home has become the new normal and it calls for a steady and reliable Wi-Fi network in every corner of one's home. This unique device not only ensures uninterrupted and consistent Wi-Fi connectivity as a Wi-Fi router but also works as a repeater to extend the network signal to the remotest corners of a home or office."

The webpage layout includes a top navigation bar with links like "Sign in / Join", "Home", "Digital Issue", "Advertise with Us", "About", "Submit Press Release", "Network", and "Privacy Policy". A secondary navigation bar below the logo lists "Home", "Features", "Interviews", "News", "Events", "Partner Corner", "Association", "Thought Leader", "Videos", and "More". On the right side of the article, there is a "SIGNUP FREE NEWSLETTER" form with fields for "First Name", "Last Name", and "Email address", and a "Subscribe" button. Below that is a "CRN TWEET BOX" and a "LATEST ARTICLE" section with three featured articles: "UPL chooses Qlik to drive business strategy and enable self-service analytics", "Jio partners with AeroMobile for in-flight mobile connectivity", and "Twitter beefs up security for internal tools from potential misuse".
