Goldmedal Electricals i-Sense FM-Bluetooth Music Player (3M)
Rs 7,500 onwards

Almost everyone who works out will attest to the fact that the right music sets the tone for the session. Goldmedal's i-Sense FM-Bluetooth Player (3M) is a one-of-a-kind product that is stylish yet compact, and can be installed directly into a flush box with any Goldmedal modular plate. The i-sense FM-Bluetooth player not only allows you to listen to the radio or music from any Bluetooth-enabled MP3 device, but also has an additional line output that allows connection to Hi-Fi or multi-room systems. It is also equipped with an in-built stereo amplifier that enables direct speaker connection, as well as has a 3.5mm port for multiple listening options while working out.
