The screenshot shows a TechTree article page. At the top is the TechTree logo and a navigation menu with categories like Reviews, Features, News, Top Lists, Videos, ROPO, and Jobs. Below the menu is a breadcrumb trail: Home » News » 8 Super-cool gifts for your dad this Father's Day. The main heading is "8 Super-cool gifts for your dad this Father's Day". The sub-heading reads: "We have curated a list of super cool, but must-haves products for the superhero of your life!". Below the heading is a social media share section for Team TechTree, dated 17:59 18th Jun, 2020, with a "Like: 0" button. The article text begins with "The bond between a father and his children is both special and unique! With dad's doing their best to selflessly contribute to their children's well-being, Father's Day is the time to make your dad feel extra special! As Father's Day is fast approaching, do you have your gift ready yet considering the current situation in the country? Well, now that things have eased up a bit, e-commerce websites are offering delivery of non-essentials items as well, so there are no excuses to not present your dad with a Father's Day gift this year!". It then states, "We have curated a list of super cool, but must-haves products for the superhero of your life!". The first item in the list is "1. For the music lover Dad!". Below this is an image of the Goldmedal Electricals 3M Bluetooth Player with FM, which is a square, silver-colored device with a central display and several control buttons. The caption below the image reads: "Goldmedal Electricals 3M Bluetooth Player with FM is a perfect gift for". On the right side of the article is a "News Corner" sidebar with several news items: "Bobbie AI bullish on growing business via regional content; announces dedicated keyboard in Malayalam", "Acer India launches business PC at Just Rs 9999", "TCL 4K QLED with Hands Free AI TV Pre-booking Coming Soon at Reliance Digital", "Linksys India Launches VELOP MX5300 WIFI 6 Mesh System", "Acer introduces Nitro 5, its first 10th Gen Intel® Core™ Gaming Laptop", "Barco Introduces New Series of Advanced Video Processing and Presentation Control Systems", "NETGEAR Orbi RBK50 Mesh System to Augment Your Home Wi-Fi Network for Improved Work Efficiency", and "Motorola announces its new flagship in India with the Fastest".
